

THANKS FOR THE PURCHASE

Notes:

1. **Print** copies of the bingo cards (6 variations). Ink friendly at the end of the document. I suggest you print 2 per page.
2. **Print** a copy of the call outs. You can cut these and pull at random or just call them.
3. Grab some **pencils**, markers, or dabbers
4. Read out the phonological awareness calls. (I like to have them circle and then color if we're still waiting on classmates)
5. All students will reach black out at the same time. Have fun!
