

THANKS FOR THE PURCHASE

Notes:

1. **Print** a copy of page 1 for each student
2. **Print** a copy of page 2 for yourself
3. Grab some **pencils**, markers, or dabbers
4. Read out the phonological awareness clues on page 2. (I like to have them circle and then add color if we're still waiting on classmates)
5. Students circle the correct image on their page 1 'I Spy Sheet'
